

w04-p1 git pull to update README.md

The screenshot shows a GitHub repository page for 'sean20020313 / 1111-web-demo-211418040'. The repository is private. The README.md file is highlighted with a red box, showing the title '1111-web-demo-211418040'. To the right, a terminal window shows the command 'git pull' being executed, with the output indicating a successful pull from the remote repository.
